Use words and sketches to capture your thoughts, feelings, questions.

Name: Melvin Enrique Mena Escobar

What I saw, heard, felt, sniffed...	What I thought or felt...	What I wondered...
I heard the soft gurgling of water in the canals.	It's very peaceful.	Is the water in all the canals connected? Do the fountains help fish get oxygen?
I sat in the Amphitheater and saw the Sphinx statues.	I thought about the performances that have taken place here over the last 100 years.	How long did it tools to build this garden?
I felt fresh air and Tranquility in the Garden	I felt very calm	why is that big
I Saw a figure of a Jellyfish	I thought That the garden it would be smaller	why they make a mosaic of Perseus instead of other character?
observe a vegetable garden	I thought that we would visit the aqueduct Gate	How many scultures have been build there?
I smelled some plants	I felt addait it was very cold	How many year it could take to rebuild that garden?

What I saw, heard, felt, sniffed...	What I thought or felt...	What I wondered...
I heard the soft gurgling of water in the canals.	It's very peaceful.	Is the water in all the canals connected? Do the fountains help fish get oxygen?
I sat in the Amphitheater and saw the Sphinx statues.	I thought about the performances that have taken place here over the last 100 years.	What if they still carry out those actions?
I sniffed a pleasant smell.	Thought that nature is very satisfying.	If all plants contribute to that smell?
I saw plants in full bloom.	I thought their process took care of it and was great.	How we can care for plants correctly?
Listen to the sound of animals.	I felt calm.	What if a plant attracts those animals?
On the way I saw a swimming pool.	I thought the people in charge are doing very good job.	How long it will take to complete the pool?

What I saw, heard, felt, sniffed...	What I thought or felt...	What I wondered...
I heard the soft gurgling of water in the canals.	It's very peaceful.	Is the water in all the canals connected? Do the fountains help fish get oxygen?
I sat in the Amphitheater and saw the Sphinx statues.	I thought about the performances that have taken place here over the last 100 years.	
I saw a very nice Staircase	They made the ladder from the leftovers of the trees	The people who fix the garden pay them
I smelled the wet earth	I felt satisfaction in nature	How long does it take to make the ladder?
I saw a canal with Fountains and Plants in the water	I thought the water was stagnant there	How many people take care of the garden?
I went to the temple, on the ground there was a drawn jellyfish and a view of a river with a landscape	I felt cold, I also felt relief in my body because I breathe with all my lungs.	They use the river water for the garden?
