Message from Superintendent Soler

Dear Yonkers Public Schools Community,

I know that many families have concerns regarding the future of Museum School 25 and the broader financial challenges facing Yonkers Public Schools. Discussions about potential school closure and budget shortfalls are never easy, and I want to assure you that our priority remains providing the best possible education for all students.

A Justice Sonia Sotomayor Community School Student Dressed as the Supreme Court Justice for Career Day

As part of our ongoing efforts to right-size our schools, we are carefully evaluating grade configurations, enrollment trends, and our aging infrastructure to ensure that our district remains sustainable and that students have access to high-quality learning environments. Earlier this week, we met with staff and families to make them aware that the Board of Education will be considering the closure of Museum School 25 for the school year 2025 – 2026 at the February 26th meeting. As a new Superintendent, the last thing I want to do is propose a closing of a school, but the data shows that Museum School 25 has the lowest enrollment in the district, with only 12 families selecting it as their first choice this year, and the building itself requires over \$5.4 million in repairs.

While no final decision has been made, we are committed to working closely with families and staff to ensure a smooth transition should the Board of Education move forward with this plan. Should you have questions, [we want to hear from you](#), reach out to my office at any time.

At the same time, we are continuing to improve our school choice process and need your input. With Yonkers Public Schools facing a \$68 million budget deficit difficult budgetary decisions may have to be made. That is why I encourage all families to complete the Yonkers Public Schools Community Survey – your feedback will help us make informed recommendations that reflect the priorities of our families and community. I present the Yonkers Public Schools 2025 - 2026 school year budget at the next Board of Education stated meeting on February 26th at 5:30 PM. [Click here to take the survey](#).

Message from Superintendent Soler (Continued)

This week, I had the opportunity to meet with Assemblyman Gary Pretlow to continue advocating for funding for Yonkers Public Schools. I also met with the Board of Education Audit, Budget & Finance Committee and the Policy & Instructional Affairs Committee to discuss financial planning and instructional priorities.

On a lighter note, I had the chance to visit Justice Sonia Sotomayor Community School, where students were celebrating their 100th day of school – a milestone filled with learning, creativity, and, of course, fun! I also welcomed former colleagues from Schenectady My Brother's Keeper (MBK) Program, sharing best practices from our nationally recognized MBK program supporting our young men of color.

As we move further into Black History Month, I want to remind students that submissions for the Martin Luther King Jr. Poem & Essay Contest are still open. This is a great opportunity to reflect on Dr. King's legacy and share your voice.

Finally, a reminder that schools will be closed for Winter Recess from February 17-21, with Central Office also closed on February 17-18 in observance of Presidents Holidays. I hope everyone takes this time to rest, recharge, and spend time with loved ones.

Thank you for your continued support as we navigate these challenges together. Let's remain focused on protecting the progress, advocating for equity, and ensuring that every Yonkers Public Schools student receives the education they deserve – similar to their peers across Westchester County.

Advocating for Yonkers Schools: Meeting with Assemblyman Gary Pretlow

Fighting for Fair Funding

Superintendent Soler met with Assemblyman Gary Pretlow this week to discuss the urgent need for additional funding for Yonkers Public Schools. With a \$68 million budget deficit, it is critical that our schools receive fair and adequate resources.

Our fight for fair funding continues; we need our state representatives to protect the progress, protect the investment and protect Yonkers Public Schools.

2025 MLK Poem & Essay Contest: “African Americans and Labor”

Celebrating the Contributions of African American Workers Throughout History

Mayor Spano and Superintendent Soler are proud to launch the 2025 Martin Luther King Jr. Poem & Essay Contest, inviting students to reflect on this year's theme: “African Americans and Labor.”
