Message from Superintendent Soler

Dear Yonkers Public Schools Community,

This week has been filled with meaningful connections, important planning, and opportunities to celebrate the incredible people who make Yonkers Public Schools a special place. From engaging with community partners to visiting schools, every moment has reinforced our commitment to creating a

bright future for our students and families. I had the pleasure of meeting with Evan Bishop, Executive Director of Yonkers Arts Project Space, to explore ways to further integrate arts education into our schools. The arts are a vital part of developing creativity and critical thinking in students, and I look forward to expanding opportunities for artistic expression.

Our district also hosted the Yonkers Council of PTAs Dessert Reception at Eugenio Maria de Hostos MicroSociety School. It was a wonderful event that highlighted the dedication and collaboration of our PTA members, who play such an important role in supporting our schools and families.

School visits are always a highlight of my week, and this week I visited Patricia A. DiChiaro School, Paideia School 15, Casmir Pulaski School, and Kahlil Gibran School. Seeing our teachers' dedication and students' enthusiasm reaffirms the incredible work happening in our classrooms every day.

I also had a productive meeting with the President of Sarah Lawrence College to discuss strengthening our partnership and exploring ways to provide new opportunities for Yonkers students.

Message from Superintendent Soler (Continued)

Partnerships like this help prepare our students for success in college, careers, and beyond.

As we continue planning for the future, I want to remind all families to complete the [Yonkers Public Schools 2030 Strategic Plan Survey](#).

Your voice matters, and your feedback is essential in helping us identify areas for improvement, celebrate successes, and shape the next decade of growth for our district.

Please take a few minutes to share your thoughts and help us create a roadmap for the future of Yonkers Public Schools. Thank you for your ongoing partnership and support as we work together to build a district that inspires, educates, and empowers every student.
