Message from Superintendent Soler

Dear Yonkers Public Schools Community,

Like our students, yesterday was a special day for me too—it marked my first day as Superintendent for my first whole school year in Yonkers Public Schools! The excitement and energy across our district were truly inspiring. I was fortunate to spend the day visiting six of our schools. Each of these buildings is led by dedicated principals, some new to their roles but certainly not new to the district, bringing with them a wealth of experience to guide our students to success.

Before the official return of students, [over 3,000 staff members came together](#) on Wednesday at the Westchester County Center to kick off the 2024-2025 school year—the first time in history we've gathered at this scale! From inspiring stories and unforgettable memories to powerful performances and the voices of our students, the

energy in the room was electric. It was a moment that truly set the tone for the incredible year ahead. My journey on the first day took me to Cross Hill Academy, Barack Obama School for Social Justice, William Boyce Thompson School, Rosemarie Siragusa School, Maria De Hostos School, and Enrico Fermi School. At each stop, I was reminded of the incredible dedication and passion that our staff, teachers, and school leaders bring to create safe and engaging student environments.

A message to our students: This is your time! Whether you're starting a new grade, stepping into a new school, or continuing on your path, know that this year is full of possibilities. Embrace each moment, learn something new every day, and remember that you have an entire community of teachers, staff, and leaders who are here to support and guide you. Your success is our success, and I believe in each and every one of you.

A message to parents: Mark your calendars! [Our series of opening houses begin next week.](#)

Let's make this year one to remember! Remember, we are all in this together.

With optimism and excitement,

Anibal Soler, Jr.

BACK TO SCHOOL

As YPS welcomes students and families back for another robust year of learning, here are some things to keep in mind:

CODE OF CONDUCT

The Code of Conduct is based on the policies of the Board of Education and contains District administrative procedures and practices that are essential to maintaining a safe and positive learning environment for all students and staff.

It serves to inform students and parents of the Yonkers Public Schools' expectations regarding behavior and conduct and the consequences for misconduct.

BUS RIDING PROTOCOLS

Students who ride school busses should:

- Arrive at the bus stop 10 minutes before the scheduled pickup time.
- Stay seated with their feet out of the aisle for the duration of the ride.
- Refrain from horseplay or any other form of misconduct.
- [Take a Look at Additional Safety Tips](#)
