

Join the Junior Docent Program

"My time in the Junior Docent Program was one of the best 3 years of my life. I've been able to take all these new experiences that pushed me out of my shell and use them to help my career and others."

—Leidys Recio, Alumna, Class of 2024

Junior Docents are high school students just like you who train to work as museum tour guides, workshop facilitators, and ambassadors for the Hudson River Museum. In addition to interacting with visitors of all ages, you will have the opportunity to visit other museums, meet with teens in programs around Westchester County and New York City, and prepare for college through our College Readiness Series.

The HRM is the only cultural institution that offers art, science, and history in Westchester County, but the interests of our Junior Docents extend well beyond those subjects. This is a unique opportunity for students who are eager to work in a museum setting, and to become leaders in their schools and communities. The application is now open to freshmen and sophomores in Yonkers Public High Schools.

Applications are due by Wednesday, October 16, at 8pm. Scan the QR code or visit hrm.org/juniordocents to learn more.

Celebrating 30 Years!

The Hudson River Museum's Junior Docent Program will be celebrating its 30th anniversary in 2025. The program has successfully mentored more than 300 teens and has served all the high schools in the Yonkers Public School District. Applications are due Wednesday, October 16 by 8pm.
