Why did you act this way? Provide reasons for your behavior. ↓

Reason 1:

I didn't understand the material.

Reason 2:

I was bored.

Reason 3:

I didn't sleep much last night.

What exactly did you do? Describe your actions.

I repeatedly talked out of turn even after the teacher asked me to stop. I blurted in the middle of the lesson and talked to Sam and Pippin.

What will you do differently next time? Why is it important to have good behavior in school?

Next time I will raise my hand to speak if I don't understand or if I need something. It is important to behave in school so everyone can learn.

Describe how your behavior affected or might have affected your classmates.

My behavior distracted my classmates, especially Sam and Pippin. They looked at me and didn't listen to the teacher.

Describe how your behavior affected or might have affected your teacher.

The teacher had to stop the lesson to correct me. The teacher couldn't focus on what needed to be taught.

Describe how your behavior affected or might have affected you and your learning.

Since I was talking I didn't understand the material. I will have a harder time on the test next week.
