### Course Description

This **Algebra 1** course is a **blend of both the 8th grade Math and Algebra 1 New York State Next Generation Learning Standards**. In this course, you will be discovering and learning algebraic concepts such as Linear Equations, Inequalities, Functions, Graphing Lines, Quadratic Equations, etc. This course will prepare you to take **two state exams** at the end of the school year.

- ✓ **CBT Math 8 Exam** (*April 2025*)
- ✓ **Algebra 1 Regents** (*June 18, 2025*)

After the completion of the course and obtaining a passing regents grade, students will receive High School credits on their transcript.

The final grade for this course will be averaged into your High School grade point average (G.P.A) and you will advanced to the next regents math course.
