# 5th Grade Welcome Letter

Welcome to our team! 5th grade is an important year as it is the culmination of skills and knowledge gained in elementary school. We have high expectations for academic achievement, as well as behavior. If students are struggling, we will work with you and school support staff to help.

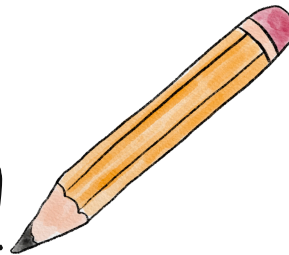

Students should have all supplies labeled and ready to use on the very first day of school. Our program will start right away and supplies are necessary to your child's success.

Each child is an essential part of our 5th grade team. We departmentalize so every student will have Ms. Pomilla for Math/Science and Ms. Weiss for English Language Arts/Social Studies. Ms. Santoro will be our 5th grade special educator.

5th graders are expected to be present daily and arrive to school no later than 8:35am. It is the responsibility of each student to complete ALL assignments and make up any work missed due to absences. Missed assignments will negatively affect report card grades.

Please reach out via email with any concerns throughout the year. Your involvement and support is crucial to your child's success.

*Thank You!*
