

**2022-2023 Receivership School Quarterly Report #3**  
Report Period: *February 1, 2023 to April 28, 2023 (Due April 28, 2023)*

This document is to be completed by the Superintendent/School Receiver and/or their designee and submitted electronically to [OISR@NYSED.gov](mailto:OISR@NYSED.gov). Complete all sections by fully responding to each prompt. For Districts with State Monitors, to streamline reporting, related metrics, data, target status and applicable evidence should be drawn from the most recent Superintendent-District Academic and Financial Summary Status Report based on the Monitor’s Recommendations.

The reporting portion of this document is a self-assessment of the *implementation and outcomes of key strategies* related to Receivership, and as such, is not considered a formal evaluation by the New York State Education Department. Once finalized and accepted, this document in its entirety must be posted in a conspicuous place on the district website. All responses should directly align with, or be adaptations to, previously approved intervention plans and require explicit engagement and input from Community Engagement Teams.

Please note that to ensure the Department is able to provide school-specific targeted Technical Assistance, the School Demographic and Four-Year Trend Data should be reported as ‘point-in-time’ for each reporting period.

*School/District Notes:*

## Executive Summary

Please provide a *plain-language summary* of this completed report to reflect changes and progress made during this reporting period and to describe how actions were taken to implement lead strategies, engage the community, and enact Receivership powers. The summary should be written in terms easily understood by the community-at-large. Please avoid terms and acronyms that are unfamiliar to the public and limit the summary to *no more than 500 words*. Applicable links must be made publicly available prior to submitting the report.

We have made progress with the implementation of instructional strategies related to the District Foci of Accountable Talk, Critical Thinking, and Checking for Understanding. We recently completed the Accountable Talk Professional Learning Cycle. We have now transitioned to our Checking for Understanding Cycle. We are continuing to offer optional professional learning on Mondays when there is no faculty meeting. Topics covered include checking for understanding, Donor's Choose, and SEL for adults. The leadership team continues to support teacher teams by providing professional learning opportunities, time to collaborate, and resources that impact teacher practice and academic outcomes of our students. We conducted Benchmark Interim Assessment #3. To continue to develop a data driven culture, the Data Team met to identify protocols to be used for student data chats following the recent assessments. Teachers engaged in Data Chats with their students and these chats were used to inform instruction. During ELA and Math PLCs, we engaged in a process to triangulate data from the Benchmark Assessments, the mid year iReady Diagnostic, DataMate Practice Assessments, and Project Acceleration recommendations. This information was then used to inform instructional pacing, students recommended for after school, and students recommended for Winter and Spring Academy. The Data Team also developed Data Action Plans based on the standards students need support on following the mid year assessments. During common planning, we continue to discuss Benchmark curriculum pacing which was recommended by the NYSED school support partner.

We have also received instructional support visits from the District Assistant Superintendent, the Executive Director of School Improvement, Executive Director of Science and Social Studies, Executive Director of Mathematics, and the Executive Director of ELA.

In alignment with creating a welcoming and affirming environment, both MBK/MSK initiatives provide students with opportunities to better understand who they are and support them in being responsible and making wise choices. Students visit the PBIS store bimonthly to “purchase” prizes. We hosted a March Madness basketball tournament where students used their points to enter and attend the tournament. The tournament concluded with a faculty versus 7<sup>th</sup> grade game. We are planning soccer and kickball tournaments for May and June. We now have a Book Vending Machine to support a culture of reading and students can use PBIS points to purchase books.

To assist in our effort to have ALL stakeholders engaged in conversations regarding our school community, we will continue to have a fully functioning Parent Teacher Student Association (PTSA) and Community Engagement Team. Meetings provide opportunities for all stakeholders' voices to be heard. Communication with stakeholders continues to improve through a more interactive website and social media presence. In addition, we have established a monthly parent focus group. CHA works with community partners to address the physical and emotional needs of students. Community partners include Westchester Jewish Community Services (WJCS) and Margaret's Place. This is a living document that will be revised through the Community Engagement and School Teams. We will identify areas of concern and adjust action plans as needed.

**Directions for Parts I, II, and III** - District and school staff should respond to the sections of this document by both analyzing and summarizing the steps taken to implement lead strategies during the third quarter. Include processes that were *used to assess the impact* of strategies implemented on student learning outcomes.

The 2022-2023 Receivership School Quarterly Report #3 is an opportunity for district and school staff to provide a reflective outline of actions, strategies, and process adaptations made to the school's 2022-2023 Continuation Plan, as part of an ongoing process of *continuous and comprehensive planning, and ultimately, the school improvement process*. This should include a clear *focus on how evidence* guides decisions and an articulation of explicit, equitable educational supports accessible to all students to ensure positive social-emotional well-being and active engagement in learning in an inclusively diverse, culturally relevant, safe learning space.

- The District should ensure that the implementation of lead strategies addresses *the needs of all learners*, particularly the needs of subgroups of students and those at risk for not meeting State academic standards.
  - Claims should be evidentiary in nature.
  - Reported information and related data should be accessible and able to be reviewed upon request.
- District and school staff should *assess the impact* of identified lead strategies on student learning, as connected and aligned to diagnostic review feedback, to ensure strategy implementation can achieve *long-term sustainable growth*.

**Part I –Lead Strategies for Improvement**

**Lead Strategies for School Improvement**

*Include 3-4 core lead strategies that are central to the school’s improvement plan, and outline the progress made this quarter by applying each strategy. Lead strategies are key levers for improvement that are identified based on trends in student performance data and serve as overarching approaches for implementing strategically focused action steps toward achieving demonstrable improvement.*

**Quarterly Report #3 with Reflection on Lead Strategies Utilized during  
February 1, 2023 – April 28, 2023**

Identify the lead strategies that guided the school’s improvement work during the reporting period, including any that were discontinued.	Status (R/Y/G)	For each lead strategy, outline how the strategy helped achieve progress toward this year’s demonstrable improvement targets.
Learner Active Technology Infused Classroom (LATIC) Framework	NA	Following conversations about implementation and effectiveness of LATIC at CHA, we discontinued IDE LATIC support
Collaboration with Teaching Matters Consultant	Y	The Teaching Matters consultant supports teachers in grades 3 and 4. The consultant models pedagogical practices, co-plan, and coach based on the needs of individual teachers. She is working with the leadership team to identify non-negotiables, develop an ELA vision, and create an ELA instructional framework. She has modeled instructional strategies such as using Thinking Jobs while reading, successfully answering text-based questions, and test readiness.
Implementation of Professional Learning Plan	Y	Effective professional learning focuses on meeting the needs of adult learners, which include opportunities for collaboration, differentiation, and modeling by colleagues. We have created a professional learning plan that accounts for after-school professional learning, as well as professional learning communities (PLCs), common planning, and optional professional learning in response to feedback during the NYSED OISR visit. In 2022-2023, the faculty meetings take place twice per month after school on Mondays. After school professional learning has covered topics such as APPR norming and accountable talk. We concluded our cycle of professional learning on accountable

Identify the lead strategies that guided the school's improvement work during the reporting period, including any that were discontinued.	Status (R/Y/G)	For each lead strategy, outline how the strategy helped achieve progress toward this year's demonstrable improvement targets.
		<p>talk and have begun our cycle on checking for understanding. Our professional learning sessions have included mid year data analysis and reflection, planning for teacher intervisitations, review of APPR elements, assessment for, of, and as learning, NYSED testing preparation and protocols, and completion of the 5 Essentials Survey.</p> <p>In addition to bimonthly professional learning after school, teachers also engage in weekly professional learning communities based on content area and common planning in grade teams. Topics covered during PLCs include:</p> <ul style="list-style-type: none"> <li>• Data Triangulation in ELA and Math PLCs</li> <li>• Implications for Instruction following ELA DataMate Practice Assessment</li> <li>• How to Use IXL</li> <li>• Math DataMate Practice Assessment Norming and Scoring</li> <li>• Math DataMate Practice Assessment Data Analysis and Implications</li> <li>• Math Curriculum Pacing and Preparing for the Winter Diagnostic</li> <li>• ELA and MATH PLC – Engaging Students in Data Chats and Using that to Drive Instruction</li> <li>• Math PLC – iReady Diagnostic 2 Data Analysis and Pacing</li> <li>• ELA and Math District Professional Learning on Test Readiness</li> <li>• Review of ELA and Math NYS Test Readiness Stations based on areas for growth from data triangulation</li> <li>• Review of CBT Tools and strategies</li> </ul> <p>Topics covered during common planning include:</p> <ul style="list-style-type: none"> <li>• SEL / Community Circle Time Planning</li> <li>• Review data of students at risk for chronic absenteeism and discussion for potential interventions</li> <li>• Review of PBIS Plan</li> </ul>

Identify the lead strategies that guided the school's improvement work during the reporting period, including any that were discontinued.	Status (R/Y/G)	For each lead strategy, outline how the strategy helped achieve progress toward this year's demonstrable improvement targets.
		<p>Optional Professional Learning (Based on recommendations from NYSED OISR and School Support Partner, and teacher interest):</p> <ul style="list-style-type: none"> <li>• Donor's Choose</li> <li>• Planning for Intervisitations</li> <li>• Destress before the Test – SEL for staff</li> </ul> <p>Based on NYS ELA/Math data, there is a continued need to enhance the skills and mindsets of our teachers as it relates to data and continuous school improvement. Progress monitoring is used to assess students' academic performance, quantify their rates of improvement or progress toward goals, and determine how they are responding to instruction. Through input and analyzing the data, instructional groups are formulated in order to differentiate instruction.</p>
Implementation of Culturally Responsive Sustaining Education / Social Emotional Learning	Y	<p>At Cross Hill Academy, social emotional learning focuses on the social-emotional well-being of students. This is accomplished through the implementation of:</p> <ul style="list-style-type: none"> <li>• My Brother's Keeper</li> <li>• My Sister's Keeper</li> <li>• Daily SEL check in / community circle time</li> </ul> <p>The 6<sup>th</sup> grade teachers collaborated to develop and implement culturally responsive and socioemotional themed Authentic Learning Units (ALUs). The most recent ALU culminated in Women's History Month presentations for classmates and families.</p> <p>As part of the after-school program, students participate in mindfulness and yoga sessions. Our social worker is available after school on Tuesdays to support students. Our Pupil Support Team partnered with WJCS to host a workshop for families on reducing test anxiety and stress prior to state exams.</p>

Identify the lead strategies that guided the school's improvement work during the reporting period, including any that were discontinued.	Status (R/Y/G)	For each lead strategy, outline how the strategy helped achieve progress toward this year's demonstrable improvement targets.
		<p>Eight teachers and the assistant principal attended a series of professional learning sessions on designing and implementing project based learning.</p> <p>We are continuing to implement our PBIS Plan that focuses on the values of kindness, perseverance, community and empowerment. Each morning we remind students of the values as part of morning announcements. We have established a PBIS Committee that consists of teachers, a representative from Rockland Day Treatment, a representative from Margaret's Place, and students. The PBIS store is open bimonthly for students to "purchase" prizes. We facilitated a Destress before the Test SEL workshop for staff.</p> <p>Margaret's Place holds group sessions for 7<sup>th</sup> and 8<sup>th</sup> grade students.</p>
Collaboration with CK Education Consultant	Y	Our CK Education consultant is supporting math instruction, demonstrating pedagogical practices with teachers, and shifting teacher mindset about what students can achieve in math. Teachers in grades 5-8 who observed the consultant demo pedagogical practices modeled the strategies for each other and received in the moment instructional coaching from the CK Ed consultant. She modeled strategies related to test readiness including Teacher Tell Me, Multiple Choice Games, Think Like a Test Creator, and CBT strategies.
Participation in the Yonkers Public Schools Network for School Improvement	Y	<p>CHA is part of the Network for School Improvement led by Bank Street Education Center, a network of teachers, school leaders, and district leaders to engage in continuous improvement with a focus on improving outcomes in middle school mathematics. The CHA team completed the class surveys about math identity and use of feedback and conducted empathy interviews with two students. The NSI coach has facilitated several sessions with the CHA team around the PDSA cycles. Teachers are focused on providing feedback on students' exit slips and students can revise exit slips. We are completing our 2<sup>nd</sup> PDSA cycle.</p> <p>In March, the CHA team attended a districtwide professional learning related to Continuous Improvement.</p>

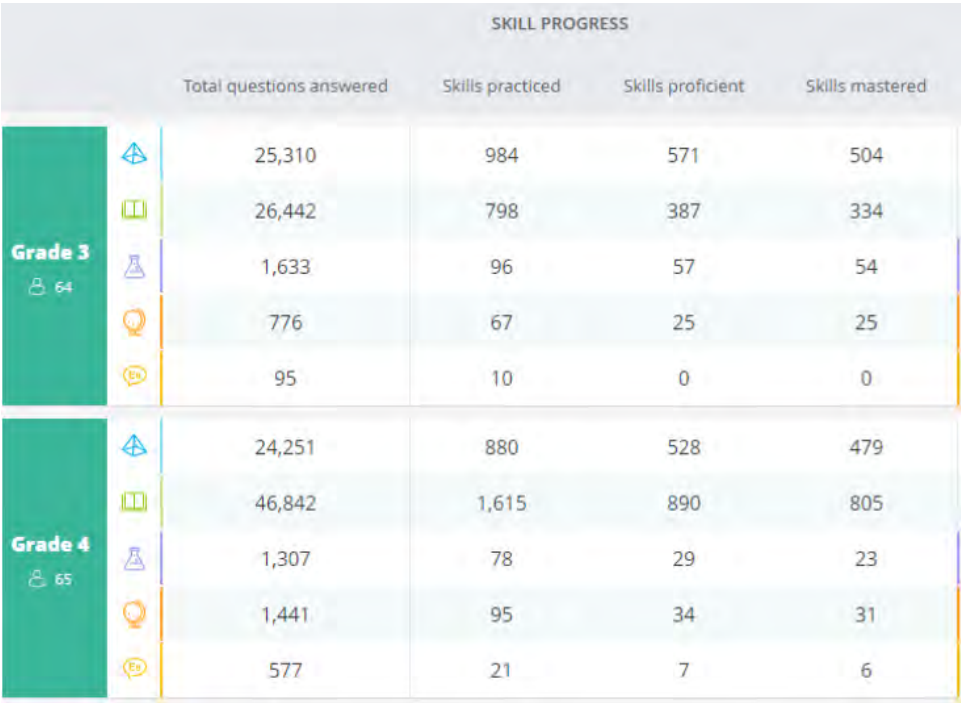

**Part II – Demonstrable Improvement Indicators-Level 1**

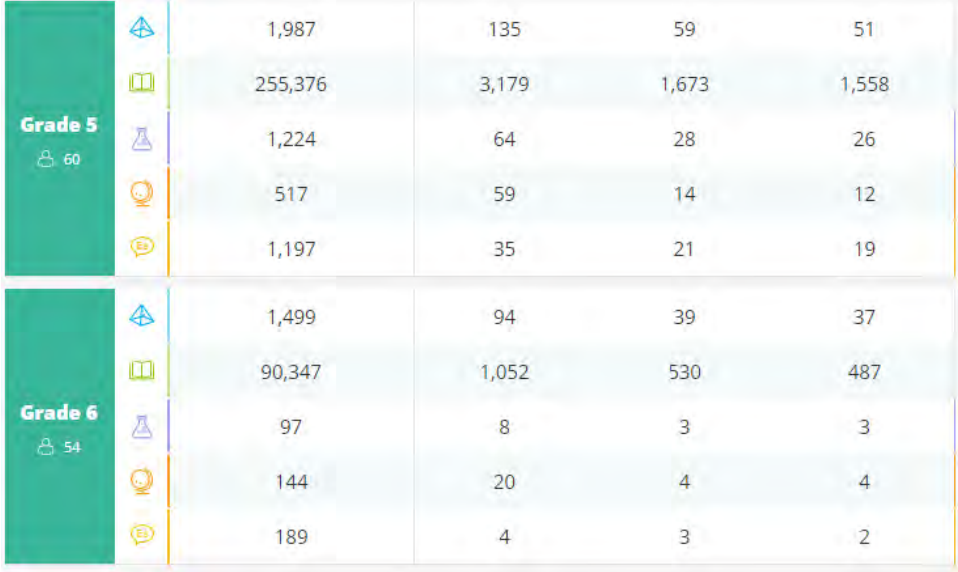

**Level 1 Indicators**

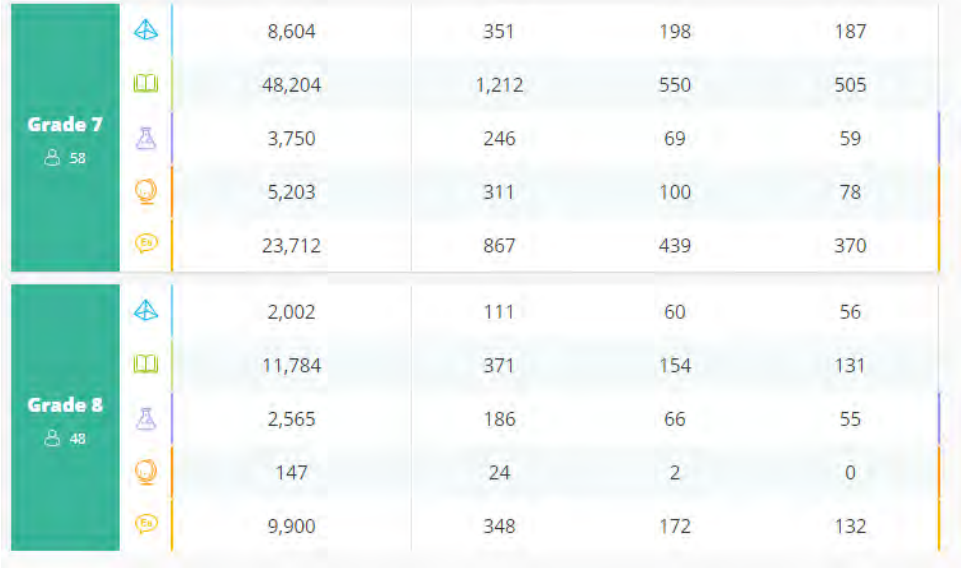

Please list the school's Level 1 indicators and complete all columns below. This information should provide details about how lead strategies informed the implementation of specific strategies and action steps to support progress toward the Demonstrable Improvement targets during this quarter.

**Quarterly Report #3 Reflection on Activities Completed for this Indicator Level during  
February 1, 2023 – April 28, 2023**

Indicator	Status (R/Y/G)	Identify specific strategies and action steps implemented to support progress for each of the Demonstrable Improvement Indicators.	<ul style="list-style-type: none"> <li>• Provide the specific data and related evidence used to measure and determine progress made between Quarter 2 and Quarter 3. Be explicit in outlining the impact of such evidence and the related contributive value of specific methods on instruction, student learning, and achievement.</li> <li>• Describe how the data trends that emerged during this reporting period will inform future action steps.</li> <li>• Include a description of any adjustments made to the continuation plan along with the corresponding data used to inform the adjustment.</li> <li>• Any hyperlinks included to provide evidence, such as data, information, and/or relevant documents, must be made publicly available prior to submitting the report.</li> </ul>
#33 3-8 ELA All Students MGP	Y	<p><u>Professional Growth and Development:</u> Teachers are provided Professional Learning opportunities bi-weekly from the school to enhance their tools for:</p> <ul style="list-style-type: none"> <li>• The District's 2022/23 Instructional Foci: Accountable Talk, Checks for Understanding, and Critical Thinking</li> <li>• Mid-Year data analysis and reflection</li> <li>• Planning for teacher intervisitations</li> <li>• Review of APPR elements</li> <li>• Assessment for, of, and as learning</li> <li>• NYSED testing preparation and protocols</li> </ul>	<p>Grades 7 &amp; 8 will complete Common Lit assessments in the spring to assess student growth and improvement by standards.</p> <p>Grades 3-8 will complete MAP Reading assessments in the spring to assess student growth and improvement by standards. Teachers are implementing the use of IXL for reading (students RIT score from MAP used to create personal study plans for students). IXL is used during small group instruction time. The data that is relevant to ELA is the row with the book symbol. As seen in the data below, students have mastered about 50% of the skills they have practiced. Our next step is to review the ELA DataMate Assessment Data with the IXL skills to identify additional support for skills not yet mastered. The students have mastered 3,873 skills through IXL and are proficient in 4,243 skills.</p>

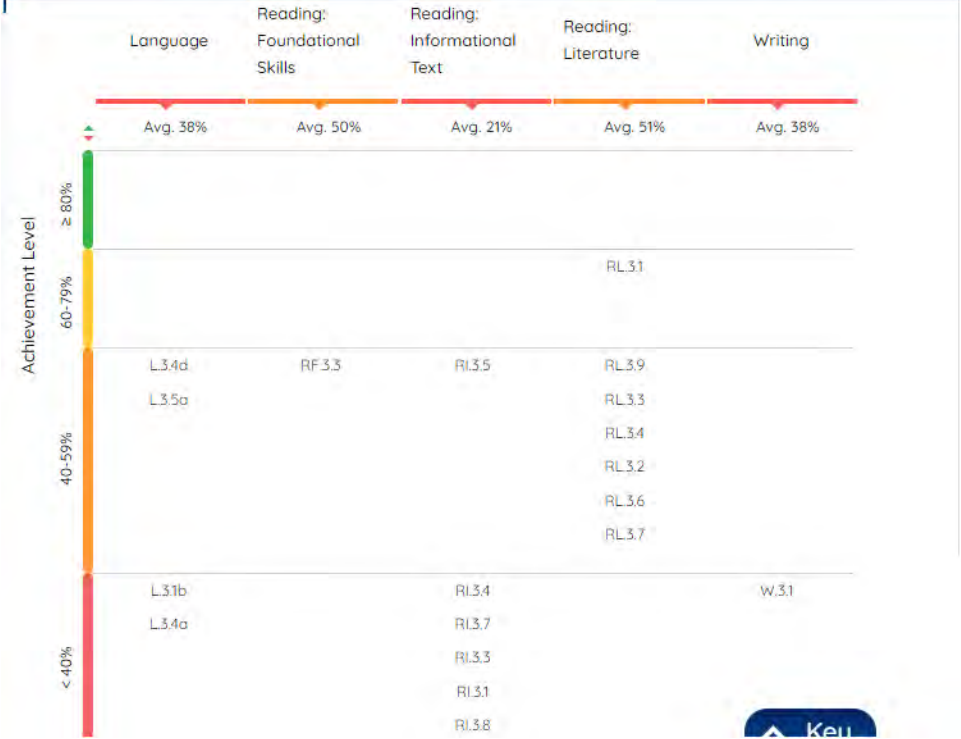

Indicator	Status (R/Y/G)	Identify specific strategies and action steps implemented to support progress for each of the Demonstrable Improvement Indicators.	<ul style="list-style-type: none"> <li>Provide the specific data and related evidence used to measure and determine progress made between Quarter 2 and Quarter 3. Be explicit in outlining the impact of such evidence and the related contributive value of specific methods on instruction, student learning, and achievement.</li> <li>Describe how the data trends that emerged during this reporting period will inform future action steps.</li> <li>Include a description of any adjustments made to the continuation plan along with the corresponding data used to inform the adjustment.</li> <li>Any hyperlinks included to provide evidence, such as data, information, and/or relevant documents, must be made publicly available prior to submitting the report.</li> </ul>																																																																
		<ul style="list-style-type: none"> <li>District Professional Learning on Test Readiness</li> </ul> <p>Teachers in grades 3-4 continue to work with our Teaching Matters Consultant. The focus has been on using Thinking Jobs, close reading strategies, and answering text-based questions.</p> <p>Teachers in grades 5-8 are working with District Executive Director of ELA on guided reading and small group instruction. We continue to include an instructional block in the afternoon dedicated to small group instruction.</p> <p>The Instructional Coach, works with all teachers, across all grade levels.</p> <p>The ENL teacher pushes into ELA classes to support the ENL students during ELA instruction.</p> <p>Teachers continue to implement the district's foci.</p>	 <table border="1"> <thead> <tr> <th colspan="2"></th> <th colspan="4">SKILL PROGRESS</th> </tr> <tr> <th colspan="2"></th> <th>Total questions answered</th> <th>Skills practiced</th> <th>Skills proficient</th> <th>Skills mastered</th> </tr> </thead> <tbody> <tr> <td rowspan="5">Grade 3 64</td> <td></td> <td>25,310</td> <td>984</td> <td>571</td> <td>504</td> </tr> <tr> <td></td> <td>26,442</td> <td>798</td> <td>387</td> <td>334</td> </tr> <tr> <td></td> <td>1,633</td> <td>96</td> <td>57</td> <td>54</td> </tr> <tr> <td></td> <td>776</td> <td>67</td> <td>25</td> <td>25</td> </tr> <tr> <td></td> <td>95</td> <td>10</td> <td>0</td> <td>0</td> </tr> <tr> <td rowspan="5">Grade 4 65</td> <td></td> <td>24,251</td> <td>880</td> <td>528</td> <td>479</td> </tr> <tr> <td></td> <td>46,842</td> <td>1,615</td> <td>890</td> <td>805</td> </tr> <tr> <td></td> <td>1,307</td> <td>78</td> <td>29</td> <td>23</td> </tr> <tr> <td></td> <td>1,441</td> <td>95</td> <td>34</td> <td>31</td> </tr> <tr> <td></td> <td>577</td> <td>21</td> <td>7</td> <td>6</td> </tr> </tbody> </table>			SKILL PROGRESS						Total questions answered	Skills practiced	Skills proficient	Skills mastered	Grade 3 64		25,310	984	571	504		26,442	798	387	334		1,633	96	57	54		776	67	25	25		95	10	0	0	Grade 4 65		24,251	880	528	479		46,842	1,615	890	805		1,307	78	29	23		1,441	95	34	31		577	21	7	6

		<p>The consultant from CK Education continues to support teachers with pedagogical practices to enhance math instruction. The consultant modeled strategies related to test readiness including Teacher Tell Me, Multiple Choice Games, Think Like a Test Creator, and CBT strategies. Teachers in grades 5-8 participated in peer intervisitations related to the strategies the consultant modeled for them. Two teachers and the assistant principal participated in the district’s monthly math PLC led by the Executive Director of Mathematics and Assistant Superintendent. Topics covered included shifts to the NGLS, reviewing the NYS Math Educator Guide, CBT strategies, and planning for instruction of Post Standards.</p> <p>Teachers in grades 5-8 are part of the NSI Team and engaging in continuous improvement work aligned to student feedback.</p>	 <table border="1"> <thead> <tr> <th>Grade</th> <th>Category 1</th> <th>Category 2</th> <th>Category 3</th> <th>Category 4</th> </tr> </thead> <tbody> <tr> <td rowspan="4">Grade 5 (n=60)</td> <td>1,987</td> <td>135</td> <td>59</td> <td>51</td> </tr> <tr> <td>255,376</td> <td>3,179</td> <td>1,673</td> <td>1,558</td> </tr> <tr> <td>1,224</td> <td>64</td> <td>28</td> <td>26</td> </tr> <tr> <td>517</td> <td>59</td> <td>14</td> <td>12</td> </tr> <tr> <td rowspan="4">Grade 6 (n=54)</td> <td>1,197</td> <td>35</td> <td>21</td> <td>19</td> </tr> <tr> <td>1,499</td> <td>94</td> <td>39</td> <td>37</td> </tr> <tr> <td>90,347</td> <td>1,052</td> <td>530</td> <td>487</td> </tr> <tr> <td>97</td> <td>8</td> <td>3</td> <td>3</td> </tr> <tr> <td></td> <td>144</td> <td>20</td> <td>4</td> <td>4</td> </tr> <tr> <td></td> <td>189</td> <td>4</td> <td>3</td> <td>2</td> </tr> </tbody> </table>	Grade	Category 1	Category 2	Category 3	Category 4	Grade 5 (n=60)	1,987	135	59	51	255,376	3,179	1,673	1,558	1,224	64	28	26	517	59	14	12	Grade 6 (n=54)	1,197	35	21	19	1,499	94	39	37	90,347	1,052	530	487	97	8	3	3		144	20	4	4		189	4	3	2

		<p>As a result of analyzing the DataMate Practice Assessment, iReady Diagnostic #2, and Project Acceleration, the assistant principal and instructional coach developed math expectations and resources to address instructional gaps and prepare students for the math state exam. The assistant principal and instructional coach developed multiple choice and constructed response question stations based on standards that students needed additional support with. The stations were on DataMate which is similar to the Nextera CBT format. Teachers received support with implementation of the stations during weekly PLC and common planning meetings. The instructional coach met with teachers who requested modeling. During weekly PLC meetings, admin. and teachers reviewed the 2023 Math Educator’s Guide to ensure teachers were familiar with the standards assessed on the state exam and the rubrics that would be used to assess the constructed response questions. We also discussed how to provide rubric aligned feedback to students. We also provided teachers with a resource</p>	<p>* 3% of students have 0 – 49% passed</p> <p><b>DataMate Practice Assessment</b></p> <ul style="list-style-type: none"> <li>Green = class score</li> <li>Yellow = entire grade</li> <li>Red = District</li> </ul> <p>Grade 3 Teacher 1 Math DataMate Practice Assessment</p>  <table border="1"> <caption>Grade 3 Teacher 1 Math DataMate Practice Assessment Data</caption> <thead> <tr> <th>Question Type</th> <th>Class Score (Green)</th> <th>Entire Grade (Yellow)</th> <th>District (Red)</th> </tr> </thead> <tbody> <tr> <td>Multiple Choice</td> <td>37.1%</td> <td>39.6%</td> <td>45.4%</td> </tr> <tr> <td>Short Response</td> <td>28.1%</td> <td>24.9%</td> <td>22.6%</td> </tr> <tr> <td>Extended Response</td> <td>22.8%</td> <td>29.7%</td> <td>31.7%</td> </tr> </tbody> </table>	Question Type	Class Score (Green)	Entire Grade (Yellow)	District (Red)	Multiple Choice	37.1%	39.6%	45.4%	Short Response	28.1%	24.9%	22.6%	Extended Response	22.8%	29.7%	31.7%

#100 3-8 ELA All Students Core Subject Performance Index	Y	<p><u>Professional Growth and Development:</u> Teachers are provided Professional Learning opportunities bi-weekly from the school to enhance their tools for:</p> <ul style="list-style-type: none"> <li>• The District’s 2022/23 Instructional Foci: Accountable Talk, Checks for Understanding, and Critical Thinking</li> <li>• Mid-Year data analysis and reflection</li> <li>• Planning for teacher intervisitations</li> <li>• Review of APPR elements</li> <li>• Assessment for, of, and as learning</li> <li>• NYSED testing preparation and protocols</li> <li>• District Professional Learning on Test Readiness</li> </ul> <p>Teachers in grades 3-4 continue to work with our Teaching Matters Consultant. The focus has been on using Thinking Jobs, close reading strategies, and answering text-based questions.</p>	<p>Grades 7 &amp; 8 will complete Common Lit assessments in the spring to assess student growth and improvement by standards.</p> <p>Grades 3-8 will complete MAP Reading assessments in the spring to assess student growth and improvement by standards. Teachers are implementing the use of IXL for reading (students RIT score from MAP used to create personal study plans for students). IXL is used during small group instruction time. The data that is relevant to ELA is the row with the book symbol. As seen in the data below, students have mastered about 50% of the skills they have practiced. Our next step is to review the ELA DataMate Assessment Data with the IXL skills to identify additional support for skills not yet mastered. The students have mastered 3,873 skills through IXL and are proficient in 4,243 skills.</p>

		<p>Grades 3-8 administered an ELA DataMate Practice Assessment in the beginning of January. Data was analyzed to identify students' strengths and weaknesses in ELA skills and Standards to adjust instruction.</p> <p>As a result of analyzing the DataMate Practice Assessment, Benchmark Interim 3 Assessment, and Project Acceleration, the assistant principal and instructional coach developed ELA expectations to prepare students for the ELA state exam. The assistant principal and instructional coach developed multiple choice, short response, and extended response question stations based on standards that students needed additional support. The stations were on paper and on DataMate which is to the Nextera CBT format. Teachers received support with implementation of the stations during weekly PLC and common planning meetings. The instructional coach</p>	 <table border="1"> <thead> <tr> <th>Grade</th> <th>Multiple Choice</th> <th>Short Response</th> <th>Extended Response</th> <th>Other</th> </tr> </thead> <tbody> <tr> <td>Grade 5 (n=60)</td> <td>1,987</td> <td>135</td> <td>59</td> <td>51</td> </tr> <tr> <td>Grade 5 (Total)</td> <td>255,376</td> <td>3,179</td> <td>1,673</td> <td>1,558</td> </tr> <tr> <td>Grade 5 (n=60)</td> <td>1,224</td> <td>64</td> <td>28</td> <td>26</td> </tr> <tr> <td>Grade 5 (Total)</td> <td>517</td> <td>59</td> <td>14</td> <td>12</td> </tr> <tr> <td>Grade 5 (Total)</td> <td>1,197</td> <td>35</td> <td>21</td> <td>19</td> </tr> <tr> <td>Grade 6 (n=54)</td> <td>1,499</td> <td>94</td> <td>39</td> <td>37</td> </tr> <tr> <td>Grade 6 (Total)</td> <td>90,347</td> <td>1,052</td> <td>530</td> <td>487</td> </tr> <tr> <td>Grade 6 (n=54)</td> <td>97</td> <td>8</td> <td>3</td> <td>3</td> </tr> <tr> <td>Grade 6 (Total)</td> <td>144</td> <td>20</td> <td>4</td> <td>4</td> </tr> <tr> <td>Grade 6 (Total)</td> <td>189</td> <td>4</td> <td>3</td> <td>2</td> </tr> </tbody> </table>	Grade	Multiple Choice	Short Response	Extended Response	Other	Grade 5 (n=60)	1,987	135	59	51	Grade 5 (Total)	255,376	3,179	1,673	1,558	Grade 5 (n=60)	1,224	64	28	26	Grade 5 (Total)	517	59	14	12	Grade 5 (Total)	1,197	35	21	19	Grade 6 (n=54)	1,499	94	39	37	Grade 6 (Total)	90,347	1,052	530	487	Grade 6 (n=54)	97	8	3	3	Grade 6 (Total)	144	20	4	4	Grade 6 (Total)	189	4	3	2

**Part III – Demonstrable Improvement Indicators-Level 2**

**Level 2 Indicators**

*Please list the school's Level 2 indicators and complete all columns below. This information should provide details about how lead strategies will inform the implementation of specific strategies and action steps to support progress toward the Demonstrable Improvement targets during this quarter.*

**Quarterly Report #3 Reflection on Activities Completed for this Indicator Level during  
February 1, 2023 – April 28, 2023**

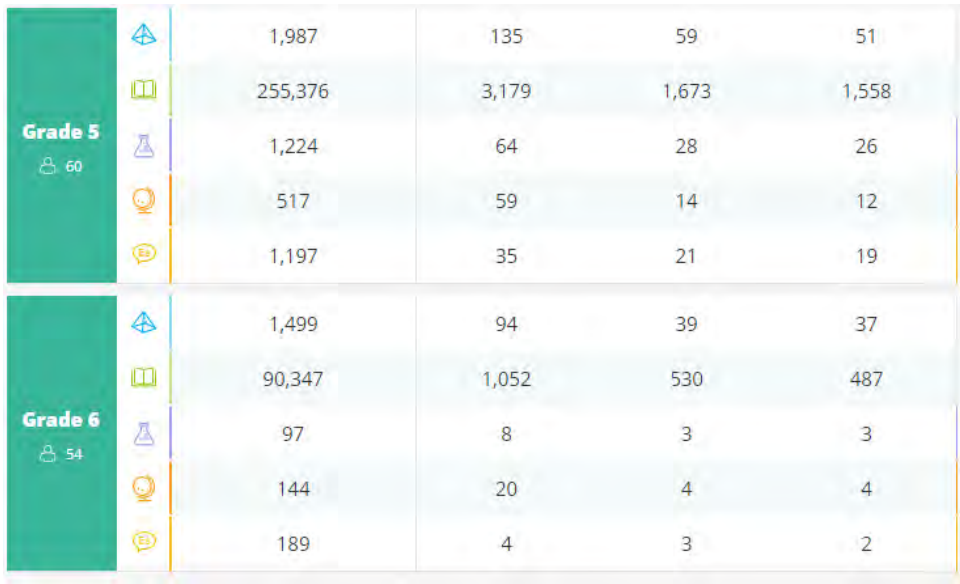

Indicator	Status (R/Y/G)	What specific strategies and action steps were implemented to support progress for each of the Demonstrable Improvement Indicators?	<ul style="list-style-type: none"> <li>• Provide the specific data and related evidence used to measure and determine progress between Quarter 2 and Quarter 3. Be explicit in outlining the impact of such evidence and the related contributive value of specific methods on instruction, student learning, and achievement.</li> <li>• Describe how the data trends that emerged during this reporting period will inform future action steps.</li> <li>• Include a description of any adjustments made to the continuation plan along with the corresponding data used to inform the adjustment.</li> <li>• Any hyperlinks included to provide evidence, such as data, information, and/or relevant documents, must be made publicly available prior to submitting the report.</li> </ul>
#160 3-8 Chronic Absenteeism – All Students		<p>During Common Planning teachers review an excel sheet with updated attendance for each student and provide information about reason(s) why students are absent.</p> <p>Teachers contact families of their students to determine the reason for the absence after two consecutive absences or two absences for the month. Teachers inform pupil support team if students have excessive absences. If a student is absent, they are expected to present an absent note upon return.</p> <p>PowerSchool clerk sends monthly letters to student homes indicating their attendance record for the previous month.</p> <p>PowerSchool clerk and school counselor contact families of students with excessive number of absences.</p>	<p>Our Year to Date Attendance is 90%. We are continuing to connect with the families of students who are absent more than 5 days for the year.</p>

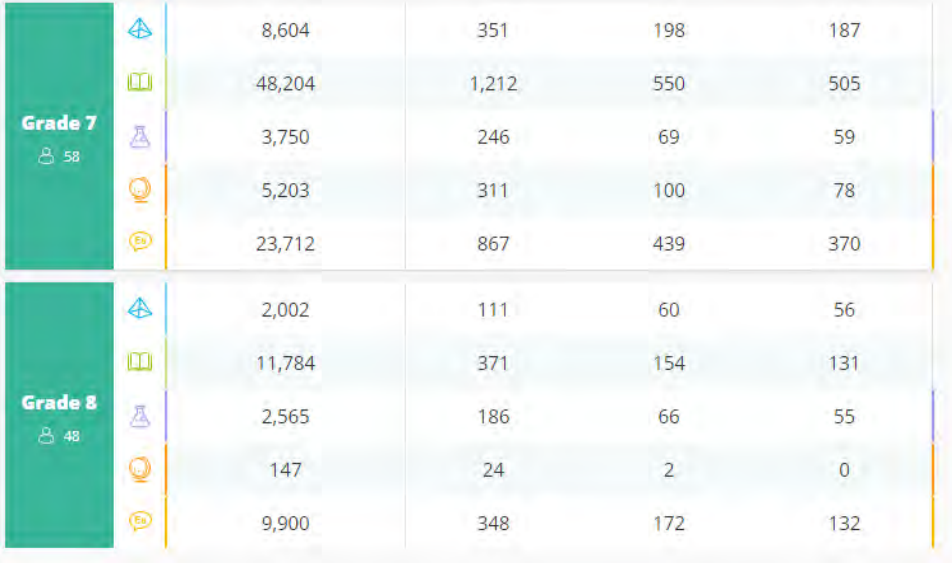

Indicator	Status (R/Y/G)	What specific strategies and action steps were implemented to support progress for each of the Demonstrable Improvement Indicators?	<ul style="list-style-type: none"> <li>• Provide the specific data and related evidence used to measure and determine progress between Quarter 2 and Quarter 3. Be explicit in outlining the impact of such evidence and the related contributive value of specific methods on instruction, student learning, and achievement.</li> <li>• Describe how the data trends that emerged during this reporting period will inform future action steps.</li> <li>• Include a description of any adjustments made to the continuation plan along with the corresponding data used to inform the adjustment.</li> <li>• Any hyperlinks included to provide evidence, such as data, information, and/or relevant documents, must be made publicly available prior to submitting the report.</li> </ul>
		<p>Teachers utilize Class Dojo and Remind to communicate with parents. Pupil Support Team reports to the CET.</p> <p>Monthly attendance team meetings with Pupil Support Staff. This was implemented based on feedback from the NYSED School Support Partner.</p> <p>Principal sends out frequent ConnectEd messages about the importance of daily attendance.</p> <p>To reinforce the need for attendance improvement, middle school students had an honor roll assembly and received certificates for good and improved attendance.</p> <p>As part of the PBIS Plan, students continue to earn Dojo points for perfect attendance and improved attendance.</p>	

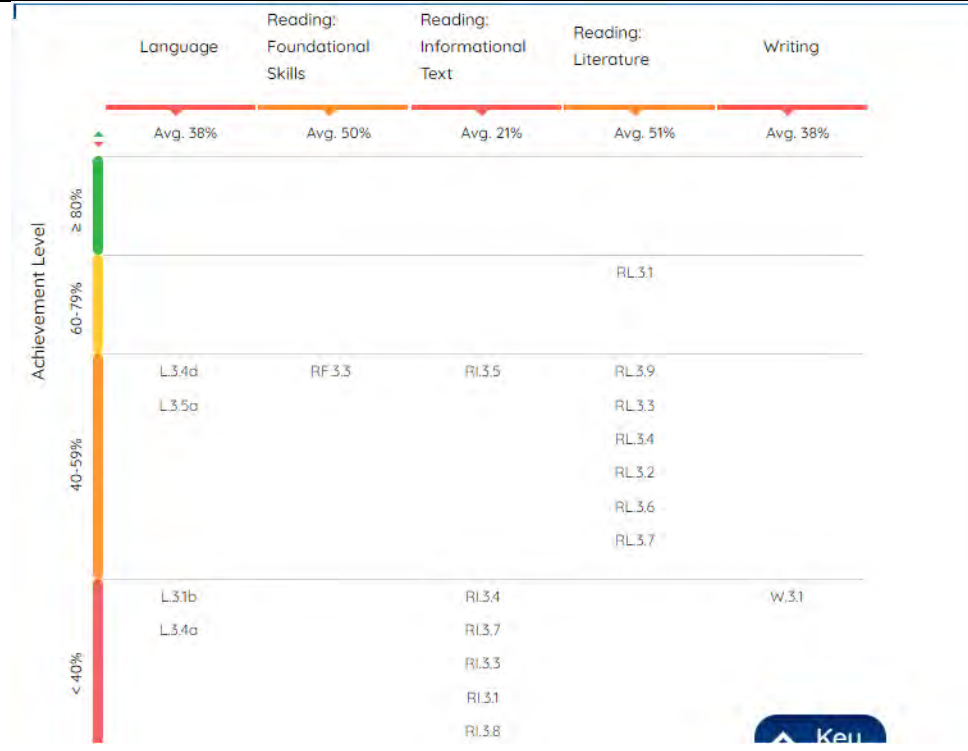

Indicator	Status (R/Y/G)	What specific strategies and action steps were implemented to support progress for each of the Demonstrable Improvement Indicators?	<ul style="list-style-type: none"> <li>• Provide the specific data and related evidence used to measure and determine progress between Quarter 2 and Quarter 3. Be explicit in outlining the impact of such evidence and the related contributive value of specific methods on instruction, student learning, and achievement.</li> <li>• Describe how the data trends that emerged during this reporting period will inform future action steps.</li> <li>• Include a description of any adjustments made to the continuation plan along with the corresponding data used to inform the adjustment.</li> <li>• Any hyperlinks included to provide evidence, such as data, information, and/or relevant documents, must be made publicly available prior to submitting the report.</li> </ul>
		A retired YPD Detective makes home visits to those students identified by the school	
#102 3-8 ELA Black Core Subject PI	Y	<p><u>Data and Assessments:</u> Students completed the following assessments:</p> <ul style="list-style-type: none"> <li>• Benchmark Interim Assessment 3</li> <li>• Common Lit</li> </ul> <p>In grades 3-6, Benchmark Interim Assessment #3 was administered to assess student strengths and weakness based on skill and standard.</p> <p>Students use IXL during small group instruction time to receive support based on Benchmark and DataMate Practice Assessment data.</p>	The data that is relevant to ELA is the row with the book symbol. As seen in the data below, students have mastered about 50% of the skills they have practiced. Our next step is to review the ELA DataMate Assessment Data with the IXL skills to identify additional support for skills not yet mastered. The students have mastered 3,873 skills through IXL and are proficient in 4,243 skills.

Indicator	Status (R/Y/G)	What specific strategies and action steps were implemented to support progress for each of the Demonstrable Improvement Indicators?	<ul style="list-style-type: none"> <li>• Provide the specific data and related evidence used to measure and determine progress between Quarter 2 and Quarter 3. Be explicit in outlining the impact of such evidence and the related contributive value of specific methods on instruction, student learning, and achievement.</li> <li>• Describe how the data trends that emerged during this reporting period will inform future action steps.</li> <li>• Include a description of any adjustments made to the continuation plan along with the corresponding data used to inform the adjustment.</li> <li>• Any hyperlinks included to provide evidence, such as data, information, and/or relevant documents, must be made publicly available prior to submitting the report.</li> </ul>																																																				
		<p>Teachers collected and analyzed student data and identified areas of improvement across grade levels, class, and individually.</p> <p>As a result of analyzing the DataMate Practice Assessment, Benchmark Interim 3 Assessment, and Project Acceleration, the assistant principal and instructional coach developed ELA expectations to prepare students for the ELA state exam. The assistant principal and instructional coach developed multiple choice, short response, and extended response question stations based on standards that students needed additional support. The stations were on paper and on DataMate which is to the Nextera CBT format. Teachers received support with implementation of the stations during weekly PLC and common planning meetings. The instructional coach met with teachers who</p>	<table border="1"> <thead> <tr> <th colspan="5">SKILL PROGRESS</th> </tr> <tr> <th></th> <th>Total questions answered</th> <th>Skills practiced</th> <th>Skills proficient</th> <th>Skills mastered</th> </tr> </thead> <tbody> <tr> <td rowspan="5"><b>Grade 3</b> 64</td> <td>25,310</td> <td>984</td> <td>571</td> <td>504</td> </tr> <tr> <td>26,442</td> <td>798</td> <td>387</td> <td>334</td> </tr> <tr> <td>1,633</td> <td>96</td> <td>57</td> <td>54</td> </tr> <tr> <td>776</td> <td>67</td> <td>25</td> <td>25</td> </tr> <tr> <td>95</td> <td>10</td> <td>0</td> <td>0</td> </tr> <tr> <td rowspan="5"><b>Grade 4</b> 65</td> <td>24,251</td> <td>880</td> <td>528</td> <td>479</td> </tr> <tr> <td>46,842</td> <td>1,615</td> <td>890</td> <td>805</td> </tr> <tr> <td>1,307</td> <td>78</td> <td>29</td> <td>23</td> </tr> <tr> <td>1,441</td> <td>95</td> <td>34</td> <td>31</td> </tr> <tr> <td>577</td> <td>21</td> <td>7</td> <td>6</td> </tr> </tbody> </table>	SKILL PROGRESS						Total questions answered	Skills practiced	Skills proficient	Skills mastered	<b>Grade 3</b> 64	25,310	984	571	504	26,442	798	387	334	1,633	96	57	54	776	67	25	25	95	10	0	0	<b>Grade 4</b> 65	24,251	880	528	479	46,842	1,615	890	805	1,307	78	29	23	1,441	95	34	31	577	21	7	6

			<p>standards. Teachers used the assessment to review skills and standards that students needed additional support in.</p> <p>Grade 3 – Benchmark Interim Assessment #3</p> <ul style="list-style-type: none"> <li>• All Students including Black students continue to struggle with the standards related to informational text, specifically 3.RI.3. To address this, the Teaching Matters consultant modeled close reading strategies, the use of Thinking Jobs for close reading, and unpacking the questions. Following the state exams, the Teaching Matters consultant will continue to support teachers with closing instructional gaps related to informational text and disaggregating data based on subgroups.</li> </ul>

**Grade 4 – Benchmark Interim Assessment #3**

- Students demonstrated progress on the standards related to literature (RL 4). On Interim Assessment #2 the achievement level was <40% on literature standards and is now 40-59%.

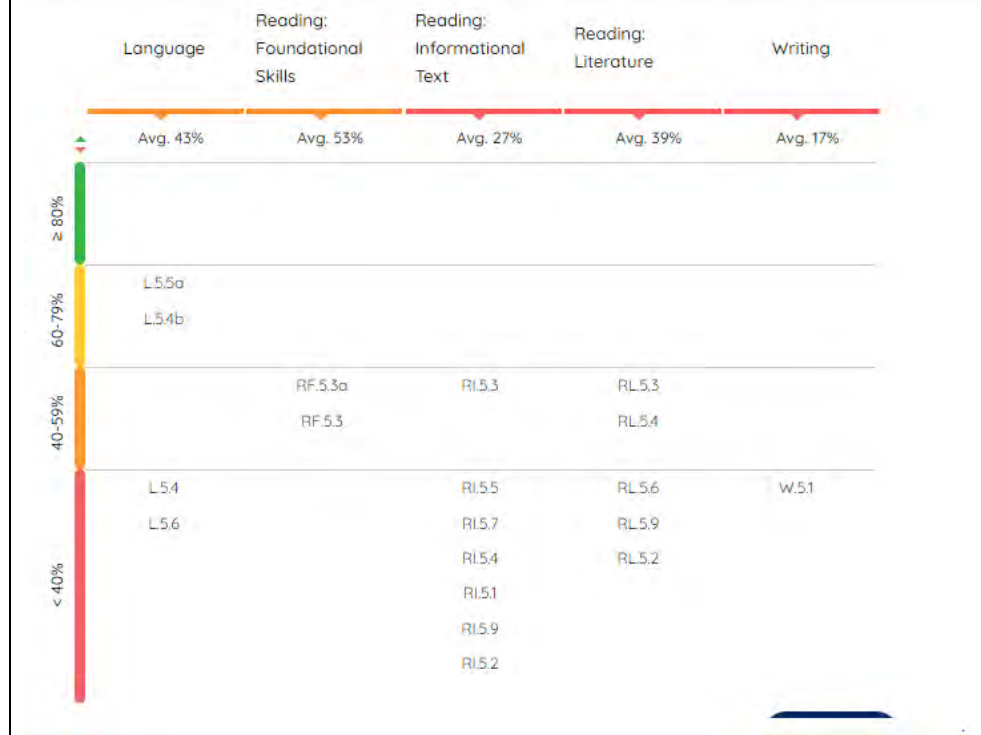

**Grade 5 – Benchmark Interim Assessment #3**

- Students continue to struggle with the standards related to literature, specifically 5.RL.2. To address this, the Teaching Matters consultant modeled close reading strategies, the use of Thinking Jobs for close reading, and unpacking the questions. Following the state exams, the Teaching Matters consultant will continue to support teachers with closing instructional gaps related to informational text.

Indicator	Status (R/Y/G)	What specific strategies and action steps were implemented to support progress for each of the Demonstrable Improvement Indicators?	<ul style="list-style-type: none"> <li>• Provide the specific data and related evidence used to measure and determine progress between Quarter 2 and Quarter 3. Be explicit in outlining the impact of such evidence and the related contributive value of specific methods on instruction, student learning, and achievement.</li> <li>• Describe how the data trends that emerged during this reporting period will inform future action steps.</li> <li>• Include a description of any adjustments made to the continuation plan along with the corresponding data used to inform the adjustment.</li> <li>• Any hyperlinks included to provide evidence, such as data, information, and/or relevant documents, must be made publicly available prior to submitting the report.</li> </ul>
			<ul style="list-style-type: none"> <li>• Students demonstrated progress on the standards related to literature (RL 3). On Interim Assessment #2 the achievement level was &lt;40% on literature standards and is now 40-59%.</li> </ul>

**Grade 6 – Benchmark Interim Assessment #3**

- Students continue to struggle with the standards related to literature, specifically 6.RL.2 and informational text, specifically 6.RI.5. To address this, the Teaching Matters consultant modeled close reading strategies, the use of Thinking Jobs for close reading, and unpacking the questions. Following the state exams, the Teaching Matters consultant will continue to support teachers with closing instructional gaps related to informational text.

#112 3-8 Math Black Core Subject PI		<u>Professional Growth and Development:</u> Teachers are provided Professional Learning opportunities bi-weekly from the school to enhance their tools for:	Teachers are implementing IXL based on student performance on the MAP Math Assessment and DataMate Practice Assessment. The data relevant to math is in the row with the pyramid symbol. As seen in the data below, students have mastered about 50% of the skills they have practiced. Students have mastered 1314 skills and are proficient at 1455 skills out of 2555 skills practiced.

		<p>multiple choice and constructed response question stations based on standards that students needed additional support with. The stations were on DataMate which is similar to the Nextera CBT format. Teachers received support with implementation of the stations during weekly PLC and common planning meetings. The instructional coach met with teachers who requested modeling. During weekly PLC meetings, we reviewed the 2023 Math Educator’s Guide to ensure teachers were familiar with the standards assessed on the state exam and the rubrics that would be used to assess the constructed response questions. We also discussed how to provide rubric aligned feedback to students. We also provided teachers with a resource for students to use to familiarize themselves with the Nextera Equation Editor.</p>	 <p>Grade 3 Teacher 2 Math DataMate Practice Assessment</p> <table border="1"> <thead> <tr> <th>Category</th> <th>Green</th> <th>Yellow</th> <th>Red</th> </tr> </thead> <tbody> <tr> <td>Multiple Choice</td> <td>37.1%</td> <td>39.6%</td> <td>45.4%</td> </tr> <tr> <td>Short Response</td> <td>35.1%</td> <td>24.9%</td> <td>22.6%</td> </tr> <tr> <td>Extended Response</td> <td>22.8%</td> <td>29.7%</td> <td>31.7%</td> </tr> </tbody> </table>	Category	Green	Yellow	Red	Multiple Choice	37.1%	39.6%	45.4%	Short Response	35.1%	24.9%	22.6%	Extended Response	22.8%	29.7%	31.7%

		<p>and resources to address instructional gaps and prepare students for the math state exam. The assistant principal and instructional coach developed multiple choice and constructed response question stations based on standards that students needed additional support with. The stations were on DataMate which is similar to the Nextera CBT format. Teachers received support with implementation of the stations during weekly PLC and common planning meetings. The instructional coach met with teachers who requested modeling. During weekly PLC meetings, we reviewed the 2023 Math Educator’s Guide to ensure teachers were familiar with the standards assessed on the state exam and the rubrics that would be used to assess the constructed response questions. We also discussed how to provide rubric aligned feedback</p>	<ul style="list-style-type: none"> <li>- iReady Lessons passed from February 1, 2023, to present:               <ul style="list-style-type: none"> <li>* 90% of students have 70 – 100% passed</li> <li>* 7% of students have 50 – 69% passed and</li> <li>* 3% of students have 0 – 49% passed</li> </ul> </li> </ul>  <p><b>DataMate Practice Assessment</b></p> <ul style="list-style-type: none"> <li>- Green = class score</li> <li>- Yellow = entire grade</li> <li>- Green = District</li> </ul> <p>Grade 3 Teacher 1 Math DataMate Practice Assessment</p>

			<ul style="list-style-type: none"> <li>• Ms. Shehadeh will continue to work with all teachers, across all grade levels.</li> <li>• Teachers identified students in grades 3-8 that would benefit from the Winter or Spring Academy based on the assessments and classroom observation.</li> </ul> <p>Teachers identified students in grades 5 – 8 that would continue to work in small groups daily with the teacher's assistant and school aides. Students are encouraged to attend after school and the Saturday Academy.</p> <p>Students will be completing the Math iReady Diagnostic 3 between May 30, 2023, and June 2, 2023</p>

#### **Part IV – Community Engagement Team (CET)**

##### **Community Engagement Team (CET)**

*The role of the Community Engagement Team is to serve as an active thought partner in contributing to, and supporting the development of, recommendations for school improvement by the school and district soliciting input through public engagement. Recommendations made by the CET, including how the school community and community at-large were engaged to (1) provide input into the school’s Continuation Plan and (2) review and update, if necessary, its 2022-2023 Community Engagement Team Plan and membership. Such should be addressed in response to the prompts below.*

#### **Report Out of 2022-2023 CET Plan Implementation**

<ul style="list-style-type: none"> <li>List the constituent categories of stakeholders that have participated as CET members during this reporting period.</li> <li>Include any changes made to the CET's membership since the development of the 2022-2023 continuation plan. Include the role/title of any new members.</li> </ul>	<p>Describe how recommendations made by the CET during this reporting period were used to inform implementation of the school's improvement plan.</p>
<p>Administrators, Teachers, Parents, Community Partners, CSEA Members</p>	<p>Based on recommendations made by the CET:</p> <ul style="list-style-type: none"> <li>A workshop around using iReady and IXL was facilitated by the Title 1 Math Teacher and the instructional coach</li> <li>Winter Academy and Spring Academy were added to the schedule to support student achievement.</li> <li>A member was added to the Attendance Team to make home visits.</li> <li>Implementation of test readiness stations for ELA and Math based on mid year data sources</li> <li>Consultants provided support around CBT strategies</li> <li>A workshop around reducing stress and anxiety was facilitated by WJCS and the PST</li> </ul>

**Part V - Receivership Powers**

**Powers of the Receiver**

*Provide a summary of the use of the School Receiver's powers during this reporting period.*

The School Receiver did not use his powers during this reporting period.

**Part VI – Assurance and Attestation**

By signing below, I attest to the fact that the information in this Receivership Quarterly Report is true and accurate to the best of my knowledge; and that all requirements with regard to public hearings and Community Engagement Team criteria have been met as necessary and required per Commissioners Regulation §100.19.

Name of Receiver (Print): \_\_\_\_\_  
Signature of Receiver: \_\_\_\_\_  
Date: \_\_\_\_\_

By signing below, I attest to the fact that the Community Engagement Team has had the opportunity to provide input into this Receivership Quarterly Report, and has had the opportunity to review and update, as necessary, its 2022-2023 Community Engagement Team Plan and membership.

Name of CET Representative (Print): \_\_\_\_\_  
Signature of CET Representative: \_\_\_\_\_  
Title of CET Representative: \_\_\_\_\_  
Date: \_\_\_\_\_

*\*The CET Attestation must be signed by a CET member other than a school administrator.*
