

## Meet Mrs. Adamson

Welcome to Room 10! My name is Mrs. Adamson and I am excited to be your teacher this year! Also, some of you are returning to my classroom from last year. **YAY!** We are going to **LEARN** so much this year and have fun along the way. I hope you are having a *fabulous* summer and I can't wait to hear all about it. Want to know some fun facts about me? I am married with two children, Cole and Scarlett, who are in sixth and fourth grade. I also have a sixteen-year-old dog named Sophie. My favorite color is turquoise blue and I *love* sushi. I also **LOVE** to read. In fact, my whole family does! One of our favorite places is the public library. I also go to the gym at 5:00 in the morning. **Yikes!** As a family we love to go camping, skiing and anything outdoors. My daughter plays soccer and my son wrestles. They also go to jujitsu two days a week. I absolutely *LOVE* teaching and I can't wait to see you in September. Until then I hope you enjoy the rest of your summer!
