

3 reasons to join the PEARLS PTA

BENEFIT OUR CHILDREN

Each new member strengthens the ability of our regional and statewide PTA to advocate for policies and programs that benefit children. Join the PEARLS PTA and you will help us advocate for students of PEARLS and focus on issues that affect them. We also work with the administrators and teachers to raise funds that pay for projects that enhance the educational and social curriculum of the school.

STAY CONNECTED

Joining the PTA is one of the best ways to know what is happening at school because we keep you informed through meetings, events, and communications.

SAVE MONEY

PTA Membership will save you up to \$15 discount on the school yearbook, discounts at HERTZ, Office Depot, and other major brands. For a full list and more information, visit www.pta.org/offers.

Anyone may join! Including parents, grandparents, relatives, educators, students, and friends. Joining the PTA does not obligate you to attend meetings; it simply shows your support for our children!
