

## Summer Reading

### Century Honors English 9-12

This summer, the English Department encourages all students to read! With the end of the school year also comes the end of many responsibilities-no homework, no practice for sports, no club meetings. Newly found free time can be spent looking for and reading a book that speaks to you!

It is required that incoming Century Honors students select a title from the Yonkers Public Schools' summer reading lists. Students are to annotate and take notes that will enable them to complete a required in-class writing assignment upon return to school in September. Notes and annotations will also serve as evidence of having done the reading.
