

Summer Reading

Grades 9, 10, 11, and 12

This summer, the English Department encourages all students to read! With the end of the school year also comes the end of many responsibilities-no homework, no practice for sports, no club meetings. Newly found free time can be spent looking for and reading a book that speaks to you!

The English Department suggests students choose a book of interest from the Yonkers Public Schools' summer reading lists. Assignments will be done in-class and will vary by teacher. Students should keep adequate notes and annotations in order to complete an in-class assignment determined by the English teacher in September. Notes and annotations will also serve as evidence of having done the reading.
