Choose + Science  
+ Intermediate Science  
+ Castle Assignments  
+ New York  
 Scroll down to find the samplers

4. Check the box next to each of the assignments you wish to pull into your assignments folder
 

☐ [Grade 5: 2016 NYS Sampler](#)  
☒ [Grade 6: 2015 NYS ELA Sampler - Book 1](#)  
☒ [Grade 6: 2015 NYS ELA Sampler - Book 2](#)  
☒ [Grade 6: 2015 NYS ELA Sampler - Book 3](#)
5. Scroll to the top or bottom and select **Import**
6. The samplers will appear under the course that was specified when searching for the samplers  
**Example:** Grade 8 Science will be found in the course Intermediate Science; Grades 3-8 ELA will be found in the English Language Arts
7. Assign to students
8. Review the results in **Assignments** (Assign/Monitor) and/or in **Classes** (Sessions & Reports)
9. Use the results to create additional practice and review where needed - create assignments selecting specific standards or topic
10. Use **Reports/Growth Report** if you want to compare a pre and post assessment
