

FASHION DESIGN TECHNOLOGY

Summer Assignment Grade 11

Due Date: September 9th, 2024

Objective: Students will be able to sketch garments with a focus on design details and pattern techniques.

Purchase a [wirebound](#) or [hardbound](#) 8-1/2" x 11" sketchbook.

Create a collage for each of the 6 styles below. Each style should have one to two pages containing 10-20 images at most. Cut and paste images from fashion magazines or catalogs.

- Sleeves
- Dresses
- Skirts
- Pants
- Jackets/Coats
- Collars

For each style you will then sketch 10 looks styled using the images you found. Each style must contain a combination of each style. Do not draw the garment as is. Include seamline details (darts, yokes, armhole seams etc.) AVOID the use small images. Make sure to obtain medium or large images so that you can see details. All collages and sketches must be in your design journal. No other format will be accepted. Sketches can be colored in, but not required.
