

FASHION DESIGN TECHNOLOGY

Summer Assignment Grade 12

Due Date: September 9th, 2024

Objective: Students will be able to design a concept for their annual fashion show theme.

Submit a three-slide mood board of a theme you would like to be considered for your fashion showcase. Your mood board must be created digitally in either PowerPoint, Google Slides, or Canva. Please make sure you email the document as a PDF.

Create a fabric/color story to emphasis color direction for the theme.

Look for compelling images that represents the theme you are attempting to convey. Do not make these mood boards only about clothes and accessories. Expand into mood images, and pictures of themes that you are interested in.

We will be reviewing all submissions as a group and will discuss further. We will select a theme that everyone agrees is appropriate for the graduating class and the fashion program as a whole.
