I got a low score on an essay...
For many of the major assignments in this course you can request a regrade after you revise your writing. Schoology has a "submit" button. Use that. Then be patient.

My work is going to be late...
If you have an issue with a deadline talk to me as early as you can. I may be able to help you. Some assignments can be late and others must be done on time.

Can I do extra credit...

No, there is not extra credit in this course, but you can usually go back to a previous assignment and revise it. Then you can request a regrade. Talk to me if you are worried about your grade.
