Using Analytics to Track Student Activity in MS Teams

To see the Analytics for your class, click on the 3 dots by the class name.

You can then choose to look at the Last 7 days, 30 days or 90 days.

Members Channels	Analytics Apps	
All Channels	✓ Last 7 Days	✓ Apr 18, 2020 - Apr 24, 2020

You will then see how many of your students were active for that given time period.

Summary 20	2	0	6	0
Users	Posts	Replies	Apps	Meetings
Active users		Role		
	o Active users		20 Owners + Members	
	4			
			Gueste	

You can click on any of the dots to see daily activity.

This will give you an idea of online participation.
